Level 2 Creative Media Production & Technology Vlog summer project brief.

Project brief.

To gain a place on the Level 2 Creative Media Production & Technology course you are required to complete this project over the summer to support your application by August 12th 2024, together with submitting the grades for entry. The requirement of this project is to record on your phone, or video camera if you have one a Vlog (video blog) entry. **Ensure you introduce yourself with your full name.**

In your Vlog answer the following questions...

1. Why do you want to study on this course?

2. What do you hope to learn from this course?

3. What inspires your creativity?

4. What is your personal statement about yourself? Describe yourself as a person.

5. Describe what you like and enjoy, such as hobbies, interests and work related learning?

6. Name and describe a key figure in your life?

To support your application with your Vlog, you are encouraged to include any photos, images or documents which relate to this subject. Such as work from school or personal projects which best represent your ability and interest in the course.

Project requirements.

1. Vlog recording of yourself answering the above questions.
2. Any supporting work which demonstrates your ability to the course.

To submit your application send your Vlog and supporting work to chris.bryant@stamford.ac.uk
