

Student Financial Support Policy 2023/24 and 2024/25

Purpose

To set out the Student Support Fund so all students and staff are aware of the different bursaries within college and how they can help those students eligible to receive it. Support available is for those extra course costs and not for course or tuition fees. The Inspire Education Group (IEG) adheres to the guidelines set by the Education Skills Funding Agency (ESFA) looking to remove any financial barriers students may have whilst in education. [16 to 19 Bursary Fund guide 2024 to 2025 academic year - GOV.UK](#)

Scope

- This policy applies to those college students eligible to receive financial assistance for the extra costs within education. This does not apply to apprentices
- Inspire Education Group receives funding from the ESFA. This funding is awarded to support eligible students to help meet the costs of participating in education and training post 16. Funds will be awarded in line with ESFA fund guidance, current for each academic year. Bursary funds are not used to support students and households with general costs of living
- The funding the College receives is limited and the College cannot guarantee to support every application received. Students are encouraged to apply as early as possible
- The Discretionary Bursary follows criteria demonstrated within the ESFA guidance. The set criteria for eligibility by IEG are gross household incomes of no more than £45,000pa, depending on what support has been requested.
- None of this funding is guaranteed as it is based on the application being received and the amount of government funding available at that time. Applications are encouraged to be received as early as possible within the new academic year
- All bursary fund applications will be assessed on an individual basis and any awards issued will be based on actual financial need and removing barriers to access education provision at IEG, and not more

The Policy Statement

The aim of this policy is to set out the ways that IEG can help to provide financial support to vulnerable and students from low income households

Policy Name: STU007 – Student Financial Support Policy

Policy Author: Group manager of Student Recruitment and Admissions

Issue: May 2024

Approved By: Policy Approval Group

Page **1** of **2**

Review Date: May 2026

It is the aim of the College to offer a helpful, responsive and friendly service that ensures financial barriers are removed from students so they can achieve.

Responsibilities

- IEG will provide up to date funding information and eligibility criteria for the College Bursary funds which will be in line with ESFA bursary guidelines. Changes may occur during the academic year in accordance with any financial changes at the discretion of IEG
- All IEG students will be given access to an application portal to apply for financial support. Accessible options and support from staff will be made available to those students / parents / carers / social workers that may struggle to access the application portal and complete a financial support application
- IEG must be provided with eligible evidence of household income in each application. Students applying for support will be assessed for eligibility at the start of their study at IEG, and will apply for the types of support they require each academic year. The college will aim to inform students if they are or aren't eligible for the college bursary within 14 days of their application, but this may be longer during busy periods of the year. Application forms for the bursary received without evidence will not be processed until correct evidence is submitted
- Students will be expected to have 85% attendance for full funding to be awarded, if attendance drops below 85% payments can be withdrawn or withheld and students may be subject to return all awards provided to them
- Although we expect this to be very rare; Students that do require BACS payments, due to unique situations and / or special circumstances that mean items in-kind are not suitable to remove financial barriers to, must have their own bank account and provide the account details to the Information Centre. Payments cannot be made into another person's account unless there is a genuine situation where payments could be deemed to be resulting in harm to the individual, such as an open and active safeguarding concern
- Students that withdraw early from their course or don't meet their agreed course fees payment terms, may be liable to return or reimburse the college of any equipment/kits/payment etc. that have been provided or funding withdrawn

Student Financial Support Policy 2023/24 and 2024/25

RISK ANALYSIS

The risk to the College of not having this policy is that some students could be prevented from furthering their education due to the financial barriers they or their families face and staff may be unaware of the financial support available.

DATA PROTECTION

See Data Protection Policy

IEG will return (or destroy) all original copies of confidential documents relating to household income but will retain a scanned copy on the student records system for audit requirements and ensuring that each student meets the eligibility criteria.

VULNERABLE BURSARY

The Vulnerable Bursary fund can provide support of up to £1200, per academic year. The amount of support awarded from the fund will be based on the actual financial needs of the student and not more. In such cases where there is no financial need, even if the student meets the eligibility criteria, vulnerable bursary support will not be awarded.

Vulnerable Bursary Criteria
Are you in receipt of Income Support or Universal Credit? (evidence required - Income Support or 3 consecutive Universal Credit Statement as well as a tenancy agreement or utility bill in the student's name)
Care Leaver or currently looked after in care (evidence required - letter from Local Authority)
In receipt of both Employment Support Allowance or Universal Credit equivalent and Disability Living Allowance or Personal Independence Payments (evidence required, letters for both ESA and DLA/PIP, or Universal Credit Statement)

DISCRETIONARY BURSARY

The Discretionary Bursary is specifically aimed at students facing financial hardship during their college course. Household incomes must be no more than £45,000pa to receive support from the discretionary bursary funds. Free college meals are awarded based on their own set of eligibility criteria. Household income evidence is required to support the application, such as up-to-date details of applicable benefit(s) or household income. These are set out in the table below:

<p>Childcare funding for students aged below 20 years old should be applied for through the government Care to Learn Scheme, See 14.4.</p>	
<p>Industry Placements - (Essential items, including additional transport costs or clothing to support students access to industry placements, up to the value of £275 per academic year, during placements only) - Household income below £45,000pa</p>	

TRANSPORT

College Buses

The Discretionary Bursary is able to support eligible students 100% with the costs of home to college transport for the academic year and the household income is under £45,000pa.

Public Service Transport

The Discretionary Bursary is able to support 100% those eligible students living more than 2 miles from college for the academic year and the household income is under £45,000pa.

Fuel awards can be requested if public transport or college bus services are unavailable or further away than 2 miles from the student's address. The maximum awards given will be equal to the full cost of a college bus pass (which is based on 3 days a week in college). The amount awarded for fuel will be adjusted on a pro rata basis to reflect the amount of days in college in which the student is timetabled. Requests must be submitted in writing and alternatives to fuel payments will be considered before any fuel payments are awarded.

Students who are eligible for 100% support for transport that may require additional transport to attend compulsory work experience as part of their study programme are able to request support from the financial support team at least 2 weeks in advance of starting their placement - all requests will be considered on an individual basis and the decision of IEG to award (or not) is final.

Exceptional Bursary

An amount of the bursary funds will be set aside to support students who face exceptional circumstances during an academic year due to a change in their

Review Date: May 2026

situation which would likely cause the student to otherwise withdraw from their study programme.

This will be given in kind in the first instance, in the form of travel passes or meals, for example, but weekly payments for a maximum of 5 weeks can be considered in cases of severe hardship where there are safety concerns in addition to financial hardship. Awards will be based completely on the situation and the financial needs of the individual on a case by case basis, in conjunction with a designated safeguarding lead at the respective college campus.

FREE COLLEGE MEALS

Free college meals are provided for students aged 16-18 whose household incomes are less than £16190 and in receipt of certain benefits for which the criteria are set out below. 19-24-year olds are entitled to receive free college meals if they are in receipt of an EHCP and meet the same benefit criteria as 16-18-year-old as set out below.

Free College Meals Criteria		
Income related Employment Support Allowance (ESA) Award letter dated 2024	Income Support Award letter dated 2024	Support under part VI of the Immigration and Asylum Act 1999 Award letter dated 2024
	Universal Credit with net earnings of no more than £7400 (£616.67 - per month 3 consecutive statements are required dated 2024	
23/24 Child Tax Credit Award and have an annual income of less than £16190 not working tax credit	Guaranteed Pension Credits Award letter dated 2024 Income based Job Seekers Allowance (JSA) Award letter 2024	23/24 Working tax credit run on – paid for 4 weeks after you stop qualifying for working tax credit 19-24 in receipt of an EHCP and one of the criteria above

Procedure for Free College Meals at main campus

Students meeting the free college meals eligibility criteria will have £6 per day, on each of their timetabled college days, be added to their college ID badge which they can use at any of the college catering outlets at any time of the day. Students can choose the items they would like to purchase and scan their ID badge at the till to pay for items up to the value of £6. Any unused daily funds do not roll over to the following day.

Procedure for Free College Meals off Main Campus

Students meeting the free college meals eligibility criteria as set out in the application form studying off Main Campus, for example, at the Media and Journalism Centre, will be paid £18 per week into their bank account via BACS.

Procedure for Free College Meals and Meal support on Industry/work Placements

Students must submit support requests to Information Services staff, including confirmation of their industry placement start and end dates sent to them by the placement team, at least 2 weeks before their placement starts. Support requirements will be assessed and put in place prior to the placement starting.

Meal Support

For students meeting the eligibility criteria for Meal Support; £10 per week will be added to their college ID badge which they can use at any of the college catering outlets at any time of the day. Students can choose the items they would like to purchase and scan their ID badge at the till to pay. Unused weekly funds do not roll over to the following week.

Emergency Meal Support

In individual cases of severe hardship, meal support on the days a student attends their study programme can be awarded without undertaking the checks on household income or gathering other evidence that would normally be required. This is strictly for short term cases of severe hardship/need only and will be seldom used and applied only in cases where there are immediate safeguarding or welfare concerns. Evidencing will be in line with ESFA guidance

20+ CHILDCARE FUNDING

Students that meet the eligibility criteria for financial support, and are aged over 20 years old, can apply for childcare funding to help with the costs of registered day care or nurseries during an academic year for their timetabled hours. IEG will pay childcare fees up to £180 per week per child, per student. Childcare invoices are paid direct to the childcare provider monthly in arrears. Where a student's childcare costs exceed their bursary allocation the student is then liable for any additional fees incurred direct to their childcare provider. All childcare providers must be OFSTED registered.

Policy Name: STU007 – Student Financial Support Policy - Appendix 1

Policy Author: Group manager of Student Recruitment and Admissions

Issue: May 2024

Approved By: Policy Approval Group

Page 5 of 7

Review Date: May 2026

Retainer fees to secure childcare placements will not be covered by the discretionary bursary fund should a student cease to attend, withdraw or for those who are paying for their course fail to pay their course fees at any point during the academic year, financial support for their childcare will finish with immediate effect. The responsibility for childcare costs will then revert back to the student and their childcare provider from that date. IEG will only make childcare payments during term time within the academic year. In situations where a student's attendance drops below 85% communication will be made to both student and childcare providers to make both parties aware that continued payments are being reviewed and could cease if low attendance continues. Each case will be reviewed on an ongoing and individual basis.

Applications and Process:

Students wishing to receive 20+ childcare funding will need to apply using the standard application form and must also complete a childcare application form which needs to be signed by both the student and the childcare provider. The contract agreement is between the student and the childcare provider.

Discretionary Bursary			
Your household income is required to help us assess your application. If your gross Household income is below £45,000 you may be able to receive support for 20+ childcare, household income evidence will be required as stated below as well as details of your childcare provider.			
Full Tax Credit Award Notice 23/24	Income Support award letter dated 2021		Job Seekers Allowance Award letter dated after May 2024
Employment Support Allowance / ESA Award letter dated 2024	Guaranteed Pension Credits Award letter dated 2024	Universal Credit 3 consecutive statements dated after April 2024	<ul style="list-style-type: none"> ● Details of OFSTED registered care provider and fees per session ● Childcare application signed and completed by the childcare provider ● Child/s details including Birth Certificate

Care to Learn

Students aged below the age of 20 with a child of their own will be able to apply for the government funded childcare scheme 'Care to Learn'. Care to Learn funds the childcare costs up to £180 per week per student direct to the childcare provider. Application support will be provided by IEG where required.

Care to Learn Applications and Process:

Students wishing to receive care to Learn funding will need to apply using the government Care to Learn website [Care to Learn: Overview - GOV.UK](#) - Further information around Care 2 Learn is also available by using the link above.

ADVANCED STUDENT LOAN BURSARY

Students who fund their college course through an Approved Student Finance England Advanced Student Loan (ALL) and require Additional financial Support may be eligible to receive support towards these costs in addition to their ALL to assist with general study expenses such as childcare or equipment. Their Learning Loan must be at an approved status for tuition funding to be provided and an application for financial support must be submitted in addition. Terms and conditions, including fee waivers are available on the ALL website: [Advanced Student Loan: Overview - GOV.UK](#)

APPEALS PROCESS

Appeals must be made within 2 weeks of the decision date. Appeals should be made in writing and should set out the reasons for the appeal. Appeals against the College Bursary should be sent to:

financial.support@stamford.ac.uk: (Stamford)

info@peterborough.ac.uk: (Peterborough)

Appeals will be responded to in writing within 14 working days and any decision made by IEG is final.

MONITORING

IEG will monitor the discretionary bursary student financial records in accordance with auditable and quality procedures. Regular checks will ensure the ESFA allocations are being used correctly and the students are receiving appropriate funding to enable access to study at IEG. The college also reserves the right to instruct proceedings to recoup any costs or financial awards given if any attempt to defraud the process is discovered.

All bursary awards are made entirely at the discretion of IEG and can be removed at any time should there be genuine reason. The declaration statement, set out at the beginning of the financial support application form, must be agreed to before any financial support can be awarded.

Bursary application form declaration statement:

To meet the current legal funding requirements, the college needs your consent before we can use the information in this form. Any information disclosed is carefully controlled by the college Data Protection Policy, which is available on the Inspire Education group website.

Awards from the Bursary Fund are made on a non-repayable basis; however, I understand that I may not receive my full award if I do not meet the required eligibility, attendance and behaviour criteria, or I withdraw from the college before completing my course.

I understand that I must notify the college of any change of financial circumstances.

I certify that the information given is correct and I understand that the college has the right to reclaim any funds for the costs of transport, uniform or equipment if I am found to have deliberately provided incorrect information or do not complete the course as a result of disciplinary action or non-engagement in curriculum activity.

I confirm that the personal information relating to any person living in my household will be supplied with their full knowledge and permission to disclose it. I agree that Inspire Education Group can process my personal data provided in this form to assess my eligibility for financial assistance.

If this application is being made on behalf of an applicant or current student, by a parent/guardian/family member/social worker for example; you certify that you are in a position to do so or have sought permission from the application to agree to these terms on their behalf; and are responsible for making the applicant aware of the financial support conditions set out in this application.

I understand that Inspire Education Group reserves the right to withdraw financial support due to misbehaviour, fraud or the reputation of the college being brought into disrepute. These decisions are not taken lightly, but decisions are made entirely at the discretion of the college.

I understand that Inspire Education Group treats fraud seriously and I agree to repay the college in full any monies paid that have been based on false or deliberately misleading information. I understand that in such circumstances all future payments will cease and that Stamford College will take such disciplinary and/or legal action as is deemed appropriate.
