

Level 2

Creative Media Production & Technology

Summer Project

Submit via email by August 18th 2026

Level 2 Creative Media Production & Technology Vlog - Summer Project Brief.

Project brief

To gain a place on the Level 2 Creative Media Production & Technology course you are required to complete this project over the summer to support your application by August 18th 2026, together with submitting the grades for entry. The requirement of this project is to create a Vlog entry (video blog). You can use whatever camera/recording equipment you like or any other software or creative styles which you feel work and help you get across your story. **Ensure you introduce yourself with your full name.**

- 1.** ■ Why do you want to study on this course?
- 2.** ■ What do you hope to learn from this course?
- 3.** ■ What inspires your creativity?

4. What is your personal statement about yourself?
Describe yourself as a person.

5. Describe what you like and enjoy, such as hobbies, interests and work related learning?

6. Name and describe a key figure in your life?

7. Make sure your project is as creative as possible, show off your skills and what you can do. Use all your art and creative skills to stand out and be different.

To support your application with your Vlog, you are encouraged to include any photos, images or documents which relate to this subject. Such as work from school or personal projects which best represent your ability and interest in the course.

Project requirements.

1. Vlog recording of yourself answering the above questions.
2. Any supporting work which demonstrates your ability to the course.

Submit your project and supporting work to joshua.checkley@ieg.ac.uk

DEADLINE - 18th August 2026
